

## ABOUT MATCHTECH GROUP (UK) LIMITED

Matchtech Group (UK) Limited is part of the Gattaca group of companies and is the legal entity responsible for our PAYE contractor workforce in the UK.

As a recruitment organisation, we are legally obligated to provide the data for this employee population.

## KEY NOTES

- As a recruitment business we are required to report gender pay gap data related to the temporary staff we provide to our clients. Ultimately, the pay and bonus rates of these individual contractors are determined by the end company they work for.
- At this time we are unable to capture and report the bonus gender pay gap figures for the employees captured in this document.
- This population consists of 1,254 Contractors (229 of which are female and 1026 Male) from multiple organisations, predominately engineering and technology companies.
- You can find out more about the work Gattaca Plc does to encourage diversity within the engineering and technology industries it supports on our website.
